This special episode will provide the foundation of how the Sentai rings came to be!Are you looking forward to Gozyuger? Let us know your opinions in the comment section! Before Power Rangers graced American airwaves in 1993, there was Super Sentai. The esteemed Japanese super franchise is celebrating its 50th Anniversary this year, commemorating the launch of Himitsu Sentai Gorenger in 1975. Since 1979, there has been a new Sentai show every year, featuring a new team and theme. Bakuge Sentai Boonboomger is the current Sentai airing, but it is scheduled to finish its run in February 2025. As part of the Super Sentai 50th Anniversary, a new Sentai series will air a week after Boonboomger's finale. The next Sentai is called the No.1 Sentai Gozyuger, centering on a unique spin on the previously-visited animal theme. Toei Company announced the full cast for the series, introducing the first main female black ranger in a Super Sentai. The main goal of the Gozyuger Rangers is to be the "number one" Super Sentai team, surpassing all previous versions. The main Sentai outfits are themed around creatures beloved by children, including wolves, unicorns, and dinosaurs. The lore of Gozyuger follows the events of a great war in the past known as the Universe War. All the Super Sentai robots took part in the war, but the conflict ended with the aid of the deity known as the Tega Sword. In the present, the mysterious organization called Bladen wants to reawaken the Tega Sword. It's up to the Gozyu Rangers to use special rings that grant them any wish to fight off enemies of the Earth. Toei Oricon shared the full cast playing the Rangers for No.1 Sentai Gozyuger. Mio Fuyuno as Hoeru Tono / Gozyu Wolf (Red) Hideharu Suzuki as Rikuo Byakuya / Gozyu Leon (Blue) Masakazu Kanda as Ryugi Bakugami / Gozyu Tyrano (Yellow) Jin Matsumoto as Kinjiro Takehara / Gozyu Eagle (Green) Maya Imamori as Sumino Ichikawa / Gozyu Unicorn (Black) Noriko Nakagoshi as Saori Ijima Daisuke Sanbongi as Fire Candle Marupi as Bouquet Karuma as Kuon The main Rangers are outcasts of society, deciding on a more secluded life. Gozyu Red is a young loner who constantly moving from job to job. Gozyu Blue is a drifter after his career as a superstar idol fell through. Gozyu Yellow is a Tega Sword loyalist and Green is a party dude who's estranged from his family. Sumino Ichikawa is the first main woman black ranger in Super Sentai. There was another female black ranger in Ohsama Sentai King-Ohger, but it was only temporary and not permanent. Ichikawa is a detective forced out of the police academy because of a specific incident. Hasbro/Netflix Power Rangers is created by editing together footage from the Sentai with American-shot video. The series began adapting Sentai footage with Kyoryu Sentai Zyuranger, Japan's sixteenth Super Sentai series. Power Rangers recently celebrated its own milestone with the 30th Anniversary project, which saw the release of the Once & Always Netflix special and Power Rangers Cosmic Fury. Hasbro has chosen to place the franchise on hiatus after the release of Cosmic Fury as the company figures out a way to revitalize the franchise. Typically, American producers and writers would adapt a Super Sentai show into Power Rangers not long after it aired. If Power Rangers wasn't on hiatus, No.1 Sentai Gozyuger could've been getting adapted into a Power Ranger show. The status of Power Rangers is in an unknown flux. While Playmates Toys plans to release new toys on the franchise, fans aren't aware of what Hasbro intends to do with the series in terms of new shows or more Sentai adaptations. Producer Jonathan Entwistle was originally reported to headline a new Power Rangers reboot, yet it was soon revealed he left the project by 2024. H/T: us.oricon Skip to content This article is about a series entry (the 49th) in the Super Sentai series. Akiko Inoue Tatsuto Higuchi No.1 Sentai Gozyuger (ナンバーワン戦隊ゴジュウジャー, Nanbā Wan Sentai Gojūjā) is a Japanese Tokusatsu drama. It is the 49th installment in Toei Company's Super Sentai Series and commemorates its 50th anniversary. The series premiered February 16, 2025, joining Kamen Rider Gavv in the Super Hero Time line-up after the finale of Bakuage Sentai Boonboomger. After the end of Gavv, Gozyuger will be joined by Kamen Rider Zeztz. The show's theme is rings, fighters, weapons, and battle royales. Production[] The trademark for the series was filed by Toei Company on November 1, 2024.[1] A full poster was revealed on Christmas Day 2024, featuring the core Gozyugers as well as TegaSword Red. A second teaser image was released on the same day, featuring the TegaSword in all five of its main robo configurations. On January 11, 2025, Toei announced that a press conference would be held to discuss the show and reveal its cast, which took place on January 26, 2025, and was hosted by Sakura Miyajima. Additionally, the press conference would feature appearances from Zenkaizer (voiced by Kiita Komagine; suit acted by Yukimasa Ono), Don Momotaro (voiced by Kouhei Higuchi; suit acted by Daiki Maruyama), Kuwagata Ohger (voiced by Taisei Sakai; suit acted by Shigeki Ito), and the previous season's Bun Red (voiced by Haruhi Iuchi; suit acted by Hirotsugu Mori). Plot[] The "Universe War" was a large-scale conflict involving the various giants of the different universes against a threat simply known as "The Calamity". At the brink of defeat, TegaSword appeared and the giants offered their powers, creating the "Sentai Rings", who destroyed the Calamity but also provoked the destruction and recreation of the universe with the rings scattered across the cosmos. Sometime later, five outcasts from society are given the chance to change their lives when TegaSword chooses them to transform into the Gozyugers, who are tasked with gathering the Sentai Rings and the one who assembles all of them will get their wish granted, which starts a competition not only between the group, but against the No One World Bridan, as well other people that have been chosen to also get their wish granted dubbed the "Universe Warriors". Super Sentai 50th Anniversary logo The Super Sentai 50th Anniversary is set to be commemorated in 2025 with the broadcast of the 49th series entry, No.1 Sentai Gozyuger. Overview[] Notably, this will be the first anniversary since the 20th to commemorate the number of years since the premiere of Himitsu Sentai Gorenger in 1975, rather than the number of series entries as with previous anniversaries held in the 21st century. Previously, while promoting Saber + Zenkaiger: Superhero Senki in 2021, producer Shin-ichiro Shirakura had talked about the prospect of Sentai anniversaries splitting away from those of the Kamen Rider Series in the future, suggesting that Senki was set to be the final crossover film between the two series.[1] On December 13, 2024, Toei Tokusatsu Fan Club released a web-exclusive special titled Toei's Secret-Revealing Special! Oh, it looks like someone's here (東映のヒミツぜんぶバラしまスペシャル！ ーおや、誰か来たようだ, Tōei no Himitsu Zenbu Barashimasupesharu! ~Oya, dare ka kita yōda)[2] featuring Shirakura discussing future plans for both Kamen Rider and Super Sentai, where he further explained the decision behind the change in Sentai anniversaries. Initially, the decision to count anniversaries based on the number of series entries was to allow for Kamen Rider and Super Sentai to celebrate a "double anniversary" within the same year, as was evident with Kaizoku Sentai Gokaiger being heavily pushed as the 35th anniversary in 2011. However, it was later decided to be revamped by ignoring the number of Sentai teams and series entries and focusing on the actual number of years instead, thus separating the two series' anniversaries and allowing Kamen Rider and Super Sentai to each have their own spaces to be in the spotlight.[3][4] While Shirakura had joked about Kaitou Sentai Lupinranger VS Keisatsu Sentai Patranger messing up the count, he also noted that that series' unique status of having two teams in one show had incidentally allowed them to reach 50 Sentai teams during the actual 50th anniversary. On December 15, 2024, Toei released its first preview video on the Super Sentai 50th Anniversary, revealing the anniversary logo. The video presented a countdown of all the main Sentai Red rangers throughout the franchise's history, ending off with a first look at GozyuWolf, the Red Ranger of the upcoming series No.1 Sentai Gozyuger.[5] On February 16, 2025, Toei posted a design contest for an original Sentai Red design for people residing in Japan. The first spot winner will get their design made into an actual suit and will be included in a future episode of the show while 50 other winners will receive a prize each.[6] On April 5, 2025, Toei held a premium event in G-Rosso featuring the original cast of the Gorengers (minus the first Kirenger actor Baku Hatakeyama) hosted by Tomokazu Seki as well as the announcement of an exhibition commemorating 50 years of the Super Sentai series at Tokyo Dome City Prism Hall in August of this year.[7] Anniversary Elements[] References[] [] Reddit and its partners use cookies and similar technologies to provide you with a better experience.
